

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is 'against the law' and is completely undemocratic. One sided propaganda is what you get in a corrupt communist regime, not in the United States. Are you guys with us or against us? C'mon, you're killing democracy!

You're totally abusing our public airways free of charge to air a partisan program two weeks before an election.

Start acting like you're part of the democratic United States of America. We want well rounded news not corporate B.S.
